

Programming with Python and Java (CS29008)

QUIZ-1

Branch: ECSc-3 (22AB)

Course Instructor: Prof. Parveen Malik and Prof. Suman Roy

Date: 10/02/2024

Guidelines and Instructions

1. Quiz-1 schedule is given below:
Date: 19/02/2024 (Monday); **Time:** Regular lab time;
Venue: Simulations Laboratory (3rd Floor, Old Annex Building, School of Electronics Engineering, Campus-12)
2. Quiz details:
Full marks: 30 (15*2 = 30)
Question Type: Multiple Choice / Short Answer
Syllabus - Unit-1 and Unit-2.
3. Quiz will be taken via **KIIT Moodle** platform only.
4. It will be a **Constrained-time** and **Open-book** test. So, you may use your resources but you have to complete the test within limited time.
5. A countdown timer is shown in the quiz navigation block, when the timer has run out, the quiz is submitted automatically with whatever answers have been filled in so far.
6. **Negative marking** will be there. (+2 for right and -0.5 for each wrong answer)
7. All of you are instructed to bring your own laptop (preferrable) / Mobile / Tab with stable internet connection.
8. **Do not refresh the KIIT Moodle webpage during the Test.** Otherwise, you may lose previous data.
9. Quiz may be attempted **only once** during the stipulated time.
10. **You have to answer once, if you click on the NEXT PAGE button to attempt the next question you cannot navigate back to your previous question.** So, GO TO PREVIOUS QUESTION option will not be available.
11. **Do not miss the quiz. If you miss the quiz for any emergency reason, please inform me in priory. Absentees have to appear an oral viva on a later date.**
12. **For evaluation, physical presence in lab is mandatory.**
